Re: WT Docket No. 03-103
Notice of *Ex Parte* Presentation

Dear Ms. Dortch:

This is to inform you that AirCell, Inc. ("AirCell") representatives Bill Gordon, Vice President for Government Affairs, Grant Saroka, technical consultant to AirCell and I, counsel to AirCell, participated in an *ex parte* meeting on October 25, 2004 with Ed Thomas, Julius Knapp, Alan Scrim, Ron Chase and Patrick Forster, all of the Commission's Office of Engineering and Technology, to discuss issues in the above referenced proceeding. Ed Laase, Howard Symons and Carlos Nalda, representing Connexion by Boeing ("Boeing"), also attended the meeting.

During the meeting, AirCell reviewed the attached presentation and referred to the attached white paper, "Deployment of Two Cross-Polarized Systems in the ATG Band," which provides additional technical details regarding AirCell's new, simplified proposal – supported by Boeing – for sharing the Air-to-Ground ("ATG") band between two broadband providers.
